The Hearth Room
A Brief Overview

Nestled behind the historic Hawken House is the Hearth Room, a private banquet hall ideal for wedding receptions, business meetings, outdoor parties, family reunions, luncheons, seminars or any other special occasion.

The Hearth Room’s working fireplace gives it a homey atmosphere that is hard to match in a rental facility. Choose your own caterer or bring your own refreshments to create a perfect environment for your party.

The spectacular Hearth Room may be rented seven days a week for the entire day.

The Hearth Room will easily accommodate 100 guests. The Hearth Room is also handicap accessible and transforms well into either a formal or an informal environment.

All of the Hearth Room’s amenities are available for use. The Hawken House's front and back porches, herb garden, and courtyard make the grounds very functional for a variety of outside activities.

The Hearth Room offers a sense of local and national history and it's a beautiful location that is perfect for your special gathering.
